

## Gift Aid Declaration

Browning House has vision of society where all children have a secure, safe childhood and are loved, valued and able to fulfil their potential. Donations to Browning House ensure that the vital work we undertake with children and families can continue. Without your support we would not be able to offer the range of services we currently provide.

Using Gift Aid means that for every pound you give, Browning House receives an extra 28 pence from the Inland Revenue, helping your donation go even further.

This means that £10 can be turned into £12.80, just so long as donations are made through Gift Aid; This would make a huge difference to Browning House, and it doesn't cost you a thing.

**If you want your donation to go further please agree to gift Aid
